

Now that's a PGA swing.

14th Annual Golf Outing

"I look forward to starting our PWA Conference with the Annual Golf Outing," stated Jim Considine. "And this year was no different. You get to see business friends you only see once or twice a year." John Towle told us that the course was in the best shape he has seen it. "And it was great to see some new faces out joining us," he said. "We try to balance our work days with some relaxing time. And it seems to work!" It look like everyone had a great time.

We're off to a great start.
