

**Just a reminder:** The PWA Board of Directors approved a STANDARDIZED MAP LOGO to help you and every jobber/retailer identify which parts are supported with a minimum advertised price program in any of your print advertising, catalogs and price sheets. To get a MAP logo, simply go to [www.pwa-par.org/advertising/](http://www.pwa-par.org/advertising/) and download the one you like. PWA is not requiring anyone to have a MAP program or mandating the use of this logo. PWA is simply offering you, the manufacturer, an opportunity to use this logo as an industry standard icon. If you intend to use this logo, please use it as presented. This will be the ICON everyone will look for in your printed material.

Reps will pass these courses.
