IN MEMORIUM

David Buisett

David started in this business after high school, working for Mallory's Speed Shop in the mid 70s. Then he went to American Specialty as a driver and then as an in-house salesman. After that he went to work for Bob Barker Marketing working for John Lannotte for probably 15 years until around 2000. He then tried the rep business on his own for a couple of years until going to work as sales manager for Weathers Auto. One more stop as east coast sales manager for AFE filters before finally coming to work for AED Carburetor. He was honest, hardworking, totally trustworthy and had the friendship and respect of everybody that met him. He was also an extremely dedicated father, coaching his boys in sports from the day they started playing ball. David was one of the main members of Led Foot and as Rich Barsamian said, "I will think of him every time we play. He was a great drummer and a joy to be with."

Biscuit was 50 and is survived by two sons, ages seven and twelve and one daughter age twenty-three. He will be greatly missed. He always made you smile and we will miss that. Please keep his family in your thoughts and prayers.
