# Dupli-Color®

from our garage to theirs... through your store

At Dupli-Color and VHT we keep rolling out new and exciting DIY products from our garage to help your customers Restore, Restyle and Protect their vehicles in theirs. Dupli-Color and VHT brands feature bumper-to-bumper refinishing, interior restyling, high-heat engine block and header protection, along with wheel and caliper restyling. Plus our program features exact factory color match to fix chips and scratches with Scratch Fix 2in1.

So stop by **AAPEX booth #4626** and **SEMA booth #23929** to see what new products we're rolling out of our garage to keep customers rolling into your stores in 2009! Yes you can sell more Dupli-Color and VHT ....
