

**IN MEMORIAM**

**Dick Martin**

The industry has lost another icon of the Performance Aftermarket. Dick Martin made his mark in the automotive aftermarket as a distributor of high performance equipment and accessories in the Pacific Northwest. He was also known for his support of industry associations, PWA and SEMA among them. PWA awarded Dick with the Pioneer Award in 1984 for his outstanding contribution to the Performance Warehouse Association and to the SEMA Hall of Fame in 1993. Dick always had a smile on his face and a good word for you. He will be sadly missed.
