

## PWA Appreciation Luncheon

On Wednesday, November 5th PWA held an Appreciation luncheon for all past winners of the PWA Pioneer, Person and Honorary Award recipients. It was a great time for all past winners and the PWA Board of Directors to get together, share stories from the past and get caught up-to-date on this past year. It was a very informal gathering with no big speeches just good food and time to spend with friends.

Here are some "movers & shakers!" From the left: Bob Vandergriff and Van Woodell.

It looks like everyone is ready to eat!
