

Miscellaneous Ramblings.....

Another irreverent interlude from my office to yours. John Julis

The fans of NASCAR that I have spoken with, all talk about how boring the races have become. That cartoon character "Digger" and Darrell Waltrip are the most annoying things about the telecasts. NASCAR insists that all they want is parity among the teams, but I think they spell parity, T-o-y-o-t-a.

Fans of the Costco hot dog and a drink for \$1.50, may be surprised that Costco served 82 million dogs worldwide in 2008! The 100% beef marvel, weighs in at just over / pound. A real deal.

An interesting proposal is circulating the Internet. Who ever researched this, makes a great case for reducing the size of Congress. Cut the House from 435 members down to 218, and the Senate from 100 down to 50. A 25% reduction in support staff is also listed, with the annual savings to us, the taxpayers... \$8 Billion! Like that will ever happen!

There is a medical distinction. We've all heard about people having guts or balls, but do you really know the difference between them? In an effort to keep you informed, the definitions are listed below:

GUTS - Is arriving home late after a night out with the guys, being met by your wife with a broom, and having the guts to ask: "Are you still cleaning, or are you flying somewhere?"

BALLS - Is coming home late after a night out with the guys, smelling of perfume and beer, lipstick on your collar, slapping your wife on the butt and having the balls to say: "You're next, Chubby." I hope this clears up any confusion on the definitions. Medically speaking there is no difference in the outcome. Both result in death.

A little boy got on the bus, sat next to a man reading a book and noticed he had his collar on backwards. The little boy asked why he wore his collar backwards. The man, who was a priest, said "I am a Father." The little boy replied "My Dad doesn't wear his collar like that."

The priest looked up from his book and answered "I am the Father of many."

The boy said "My Dad has 4 boys, 4 girls and two grandchildren and he doesn't wear his collar that way."

The priest, getting impatient, said "I am the Father of hundreds" and went back to reading his book.

The little boy sat quietly thinking for a while, then leaned over and said, "Maybe you should use a condom and wear your pants backwards instead of your collar."

The Obama administration seems to take great delight in trashing the "Big Three" automakers while turning a blind-eye at the banking and insurance industries. Lavish perks, huge bonuses and mega bailouts are the norm for Wall Street while those in Washington attempt to dictate to Detroit. If Congress thinks that I will buy and drive Obama's, Biden's or Pelosi's idea of what a Chevrolet should be, they are sadly mistaken.

When told the reason for daylight saving time the old Indian said...

"Only a white man would believe that you could cut a foot off the top of a blanket and sew it to the bottom of a blanket and have a longer blanket."

Divorce vs. Murder

A woman walked up to the pharmacist, looked straight into his eyes and said, "I would like to buy some cyanide."

The pharmacist asked, "Why in the world do you need cyanide?"

The lady replied, "I need it to poison my husband."

The pharmacist's eyes got big and he exclaimed, "Lord have mercy! I can't give you cyanide to kill your husband. That's against the law! I'll lose my license! They'll throw both of us in jail! All kinds of bad things will happen. Absolutely not! You CANNOT have any cyanide."

The lady then calmly reached into her purse and pulled out a picture of her husband in bed with the pharmacist's wife.

The pharmacist looked at the picture and replied, "Well now, that's different. You didn't tell me you had a prescription."

If the first four NHRA drag races are any indication of the performance of Alan Johnson's Al-Anabi Top Fuel and Funny Car teams, then the rest of the contenders may have to settle for second place. They have not won everything in sight, but have run well enough in four races to be real tough when Alan's teams begin to "gel" later in the season. Alan knows how to win and it won't be long before they will be "the team to beat."

That's all for this time.

John Julis
