

NEW RETAIL REWARDS PROGRAM

You've Heard Of The TARP Bailouts? Now Painless Offers - The Totally Awesome Rewards Program

We're boldly going where no government bailout has gone - directly to YOUR CUSTOMER, the working man! To help stimulate our sales throughout the distribution system, we are providing sales incentives to our retail buyers with this exciting promotional program. The only affect it will have on your business with us is increased sales and customer loyalty.

Made With
Pride
In The USA 

Here's How It Works:

1. Consumers will go to our website to register free and set up their TARP account.
2. Each time they purchase any Painless products, they will send us a copy of the invoice, via e-mail, fax or snail mail.
3. We'll credit them with 3% of the retail value from each purchase as "points" in their TARP account which they can then redeem for great stuff!

What Can They Get?

TARP points can be used to purchase a wide assortment of wearables, automotive tools, accessories, hunting, fishing and camping gear, and other quality lifestyle products. (see the site for more details)
