

2003 Manufacturer of the Year

The Manufacturer of the Year Award is in recognition of ARP's outstanding contributions to the specialty equipment industry and in appreciation of their conscientious efforts in support of the warehouse distributor of merchandise distribution.

Automotive Racing Products

Automotive Racing Products is recognized as the world's foremost manufacturer of high performance fasteners and their products are used by top teams in Formula 1, NASCAR and NHRA competition. ARP also manufactures a wide variety of bolts and studs for street applications. All ARP brand products are made in-house at the firm's Santa Paula, California complex, including forging, heat-treating, machining and finishing operations. ARP's packaging, warehousing and sales are handled out of a new facility in Ventura, California.
