

1999 Manufacturer of the Year

The Manufacturer of the Year Award is in recognition of Flex-a-lite's outstanding contributions to the specialty equipment industry and in appreciation of their conscientious efforts in support of the warehouse distributor of merchandise distribution.

Flex-A-Lite

In 1960, Eddy and Margaret Davis started Flex-A-Lite Consolidated in their garage, frequently employing the skills of their teenage children - Don and Linda. Eddy soon brought the concept of a flexible lightweight fan to world markets, an achievement that opened the door for a new industry - replacement engine cooling fans. Today, the company remains the industry leader in the design and manufacturing of belt-driven and electric-cooling fans.
