

## **1996 Manufacturer of the Year**

The Manufacturer of the Year Award is in recognition of K & N's outstanding contributions to the specialty equipment industry and in appreciation of their conscientious efforts in support of the warehouse distributor of merchandise distribution.

### **K & N Engineering**

K & N Engineering, Inc., "manufacturers of the world's best air filters", began building motorcycles in the late 60s in a small facility in Riverside, CA. With their successes in motorcycle racing and then off-road motorsports, K & N quickly grew to the world's most widely used performance air filter. Today, K & N equips 80% of all off-road racing vehicles, with wins in every off-road event in the world. K & N now employs over 300 people in their Riverside location and in Warrington, England plus they employ an additional 100 + people that manufacture for European and Scandinavian markets.
